Hi Cynthia,

Can APTIM review the attached 2021 Annual Signetics VI Activities and Data Report. The level of review should be in lined with the Quarterly VI Records Report for 4Q 2021, which I attached. With that direction, can you give me an estimate for the level of effort needed for the Signetics Annual Report and when you estimate APTIM can complete the review by?

Thank you,
Michael

Good Morning Michael,

Attached is the Annual 2021 Vapor Intrusion (VI) Activities Report for the Signetics Site. This report was drated in accordance with the 29 May 2020 Vapor Work Plan and is a compilation of the 2021 VI related activities at the Signetics Site.

Please let me know if you have any questions.

Regards,

Africa
